Academic Duty

"Academic Duty is a chatty, elegantly written book offering an inside view of university by someone who knows: Donald Kennedy...It's a good primer for would-be presidents or outsiders who think they have a new model for the university.

Academic Duty: Donald Kennedy: 9780674002234: Amazon.com ...

Examining teaching, graduate training, research, and their ethical context in the research university, Donald Kennedy, former President of Stanford University and currently a faculty member, suggests that meaningful reform cannot take place until more rigorous standards of academic responsibility are embraced by both faculty and the administration.

Academic Duty — Donald Kennedy | Harvard University Press

"Academic Duty is an immensely impressive tour of the American university by a guide who has lived what he describes. He speaks with admirable objectivity and fairness of the world he knows so well. He describes with even-handed candor the problems the universities face, and shows how they might meet the challenges ahead.

Academic Duty — Donald Kennedy | Harvard University Press

Kennedy draws on his vast reservoir of experience to discuss many responsibilities of those in academic life, from teaching (which he rightly considers to be among the most important) to research, ethics, and other areas. I strongly recommend to those beginning or considering a career in higher education. flag 1 like · Like · see review

PharmAcademic

Academic Manager Responsibilities and Duties Posted in Job Responsibilities Manage and update academic program to meet curriculum goals. Monitor student behavior both inside and outside classrooms.

List of Academic Manager Responsibilities and Duties

Academic Duty is an excellent book for new faculty. I ordered 10 books which came from 5 different locations. Some of the books had smudges on the covers and some covers were even bent. I doubt I will give some of the books out because of their condition--they just look worn and I ordered new books.
