Like my own (adult-focused) Clinical Handbook of Psychological Disorders, this volume was motivated by countless clinical psychology graduate students, psychiatric residents, and other mental health professionals, either in training or in practice, asking: "But how do I do it?"

Clinical Handbook of Psychological Disorders in Children ...

Adolescents with Autism Spectrum Disorder: A Clinical Handbook is an edited volume that summarizes the current state of the research concerning adolescents and young adults with autism spectrum disorder (ASD). This is important, as the research indicates that young adults have low rates of attendance in post-secondary education, of being competitively employed, and of living independently.
