Character education is an umbrella term generally used to describe the teaching of children in a manner that will help them develop as personal and social beings. However, this definition requires research to explain what is meant by "personal and social being".

Values education - Wikipedia

Character education is as old as education itself. Down through history, education has had two great goals: to help people become smart and to help them become good. Acting on that belief, schools in the earliest

days of our republic tackled character education head on—through discipline, the teacher's example, and the daily school curriculum.

The Return of Character Education - Educational Leadership

The book "Educating for character" talks about how schools can teach respect and responsibility alongside learning which involves values and it was written by Thomas Lickona. There is today a widespread, deeply unsettling sense that children are changing in ways that tell us about ourselves as a society.
