## **The Health Benefits of RV Travel - RVing Reviews**

If you are or plan to be an RV fulltimer or frequent traveler, you need to figure out how RVers handle health care on the road. I learned that lesson well as you can see in the photo above, taken when I ended up in the Mayo Clinic hospital in Rochester, MN a few years back to have emergency surgery to have a gallbladder removed while I was passing through the area on an RV trip.

So, here are 8 things I think suck about my full-time RV lifestyle. 1) The Laundry. Doing the laundry is a drag for regular homeowners too but for full-time RVers is even more of a downer. First, you have to figure out where in the limited space of the RV you are going to store the dirty clothes.

## **8 Things That Suck About My Full Time RV Lifestyle**

Somewhere, perhaps through magazine articles and online photos depicting luxurious RV resorts, a picture of the RV lifestyle has emerged—a picture rimmed with dollar signs. Add to that picture the high cost of gas or diesel, and it looks like a lifestyle out of reach for most.

## **Why the RV Lifestyle Is More Affordable Than You Think**

The RV itself can become an exercise tool. You can use the doorstep for step-ups and leg lifts. You

RV Health Insurance For all its faults, Florida's got some serious benefits for full time RVers. It's a great place to establish your residency because it doesn't carry an income tax, has relatively affordable vehicle registration fees, and is popular enough amongst the nomadic set that it has a ton of pre-established mail forwarding services so you can easily get a "permanent" address.
