Inferno The World At War

Inferno is a magnificent achievement, a one-volume history that should find favor among readers thoroughly immersed in World War II and those approaching the subject for the first time. As the years thin the ranks of those who fought in the war, Hastings's balanced and elegantly written prose should help ensure that the bloodshed, bravery and brutality of that tragic conflict aren't forgotten."

Amazon.com: Inferno: The World at War, 1939-1945 eBook ...

So, as you might expect, I was overjoyed when I found a copy of one of his newer books, Inferno: The World at War, on my bookshelf. Unlike Armageddon, which is only about the later part of the war against Germany, Inferno: The World at War is about all of World War II. Hastings describes every theater, home front, and time period of the war are described to some extent, which makes is a great book for those who want to start learning about World War II in general rather than just a specific ...

Max Hastings "Inferno: The World at War, 1939-1945" - YouTube

In 1973, the world economy was brought almost to a halt by a supposed shortage of oil. The ostensible trigger for this alleged shortage was the so-called Yom Kippur War in which the armed forces of the Anglo-American Empire's settler-colonial offshore enterprise in Palestine, also known as the State of Israel, repelled the forces of Egypt and Syria, which had moved to reoccupy the territory ...
