Jazz Photographs Of The Masters

In Jazz: Photographs of the Masters, internationally acclaimed photographer Jacques Lowe captures the character and spirit of 200 of the greatest jazz musicians who define the state of the art today. Of all music, jazz best represents the diversity and dynamism of twentieth-century America, and this sumptuous volume of duotone portraits pays homage to the virtuosos who have created this extraordinarily rich music.

Jazz Photographs | Fine Art America

These 50's jazz recordings aren't the greatest to begin with. It's not like the imaging is amazing in a mono 1950's record. We're not talking Steely Dan here. All of the Jazz Images issues I've heard sounded good and the look and feel of the jackets and vinyl were first class. 180 Gram vinyl, plastic lined paper sleeves, gatefold jackets.
