3. My third go-to book,

Get Free Making Mechanical Cards

25 Paper
Engineered
Designs

Making Mechanical
Cards by Sheila
Sturrock, is not
technically all about
pop ups, but I believe
most people do not
really care about the
distinction between
"pop up cards" and
"mechanical cards."
Sturrock's book
includes designs I have
not seen elsewhere,
mostly mechanisms
from the great card
makers of the past. I
am grateful to her for

these beautiful
handmade cards. I love
getting snail mail. A
handmade card in the
mail is a special treat
these days, don't you
think? When I'm
sending a card I love to
put all my paper craft
supplies to good use
and send a handmade
card. Not only are they
fun to make, they're a
cute and thoughtful
way to let someone
know you are thinking
about them.
