Ask questions like, how does your character talk, what events shaped his personality, what does she look like, and more, to create more interesting and fully developed characters.

1 Introduction to Design and the Concept Development Process

A non-story example: An idea is to travel to Florida. A concept is to travel by car and stop at all the national parks along the way. A premise is to take your estranged father with you and mend fences while on the road.. Now let's put that notion in literary terms, looking at the initial seed of a story. An idea would be to write a story about raising the Titanic from the bottom on the sea.

4. Make the important parts of your story effective. Each part of a story needs to be effective to make it good. Great openings create fascinating introductions to authors' worlds, characters and plot scenarios. In a brilliant middle, your story might.. Introduce new characters who help or hinder your primary character(s)

What Makes a Good Story? 10 Elements | Now Novel

Character development starts with motivations and goals. What your characters wants to do, achieve (or avoid) at the start, middle, or end of your story shapes plot. It's like Ray Bradbury said: 'Plot is no more than footprints left in the snow after your characters have run by on their way to incredible destinations.'

Character Development - 9 Tips for Convincing Arcs | Now Novel

Concept. Concept tells us what a story is about—the core idea of a story. There are two types of concepts: low concepts and high concepts. Low Concepts. Low concepts are simple and can come off as generic or mundane at first glance. However, these stories often contain more character development and nuance than their high-concept counterparts.

What is a Story Concept? | Writing Forward

Offered by California Institute of the Arts. In this course, you will examine how storytelling acts as a vital mechanism for driving video gameplay forward. Looking at several historical and contemporary games, you will be asked to evaluate and interpret different story styles with the goal of identifying themes and procedures for your own game ideas.
