The first 2000 years. This edition published in 1953 by Bookcraft in Salt Lake City.

The first 2000 years. (1953 edition) | Open Library

2000 was designated as the International Year for the Culture of Peace and the World Mathematical Year.. Popular culture holds the year 2000 as the first year of the 21st century and the 3rd millennium due to a tendency of grouping the years according to decimal values, as if year zero were counted. According to the Gregorian calendar, these distinctions fall to the year 2001, because the 1st ...

2000 - Wikipedia

The FBI led a nine-year investigation on how anthrax got in those letters, and concluded the powder came from a research lab. 2003 - SARS-CoV. Severe Acute Respiratory Syndrome, a viral respiratory illness caused by a coronavirus, was first diagnosed in Asia in February of 2003, later reaching the U.S. in that same year.

A Timeline of Outbreaks from 2000 to Present - The Sundial

Under this widely accepted scheme, the earth was created 4000 years before the birth of Christ and could endure as much as 2000 years thereafter ("Fall in the House of Ussher," Natural History, November 1991, p. 18).

First, a caveat: I am no history buff. I tended to avoid history through the years, but have appreciated Standage's approach to themed explorations of culture and civilization. I don't contribute actively in social media very often (save the occasional book/product review), but do appreciate its power and importance.
