The Great Plague The Story

The word "plague" is one of the most dreaded in Europe. For over a thousand years, Europe was the victim of a series of epidemics which decimated the population. One of the last of these epidemics was the Great Plague of London in 1665 that killed probably a third of the population and left few families untouched. Plagues are a huge subject.

My Story: The Great Plague is written in diary format. It tells the story of the plague and fire in a quick, easy to read way perfect for middle grade age kids. I highly recommend reading it!

Amazon.com: Customer reviews: The Great Plague (My Story)

Based on sound historical research, this is a vibrant retelling of the social, economic, and political context of the Great Plague of London. Lloyd and Dorothy Moote's approach is refreshing and riveting. Their book should have a very wide appeal among general readers and will be of great interest to students and scholars as well.
