Vw Beetle Engine Identification

Hi! I probably shouldn't have, but I bought a Burro buggy with a bill of sale. I would like to legalize the car in Mi. The bill of sale says the chassis is a VIN #3602294 and supposedly a 1963 VW Beetle. The engine carries a # AK089411 and is supposed to be a 1974 1600. I found the engine number, but cannot find the chassis # anywhere.
